SUBJECT:	Child Nutrition Labels for Caterina's Pizzeria	

This Management Bulletin provides information on the Child Nutrition (CN) Labels for Caterina's Pizzeria. The Agricultural Marketing Service (AMC) has determined that Caterina Pizzeria produced pizza at its Brooklyn, New York processing plant without proper inspection as required by regulation for all CN labeled products. As a result, the United States Department of Agriculture (USDA) has rescinded the CN label for the following products which are assigned to Focaccietta Pan Pizza and manufactured by Caterina Pizzeria:

CN Numbers

040219
040690

Caterina's Pizzeria must submit a new label for review if it wishes to manufacture either of these items. Upon approval, each will be assigned a new CN number. Please note that this action applies to these two CN numbers *only*.

The accuracy of the CN label statement for CN labels #040219 and #040690 cannot be assured. Other CN labeled products made by this company are not affected.

If you have any questions, please contact Cindy Schneider, Child Nutrition Consultant, Nutrition Standards Unit, at (916) 322-1566 or leave a message at the toll free number (800) 952-5609.
